

FIA CERTIFIED INDIAN F4 CHAMPIONSHIP 2025

ELIGIBILITY:

1. Age:

Must have completed their 15th Birthday before the round. For example, for R1 participation on 16-17th August 2025, the driver must have their 15th birthday on or before 15th August (born 15th August 2009 or earlier).

2. License:

Must secure a racing license from an ASN (most countries have one, for India it is FMSCI). The racing license must be a national 4W racing license for Indian drivers. International drivers must secure International C along with a No objection Certificate from their ASN

3. Experience:

It is recommended that drivers have some karting/racing experience.

4. Payment

No sponsorship is available from the organizers. Drivers have to secure funding for their participation through family/sponsorship by themselves.

Drivers need to pay for the round(s) and test day(s) prior to participation.

5. Format:

The championship will follow an academy format, i.e. all cars will be operated centrally within the set up available in the regulations. The focus is on drivers' development, track time and experience in open wheel single-seater cars.
